

## **SAFETY Function** For **IMD & IMDL drive series**

### **Safety machine**

- Safety protection against motor restart
- STO function - motor Safe Torque Off
- SIL 2 safety level

### **Advantages**

- Ideal on machines with frequent stop : opening door - setup - test
- Less external components e.g. power contactor
- Easy wiring

### **Modules**

- **IMDSAFE**  
Safety input
- **IMDIOSAFE**  
Safety input  
12 digital inputs - 8 digital outputs
